

Orlando FSDO FAA Safety Team presents:

# **Lessons Learned from an Actual Forced Landing**

The NTSB Report reads, "On August 23, 2019, about 0946 eastern daylight time, a Beech, F33A, N80WH, was substantially damaged when it impacted terrain during a forced landing near Hobe Sound, Florida. The private pilot and two passengers were not injured." Come listen to the rest of the story and learn from the pilot of this Bonanza in this two-hour get-together.

After our main presentation, it will be time for a little Hangar Talk, hosted by several members of the Treasure Coast FAASTeam. Bring your questions and comments, let's talk.

The Orlando FSDO-15 FAA Safety Team (FAASTeam), along with your local Treasure Coast FAASTeam, encourages all aviation safety minded individuals to come and attend our every third Thursday of the month safety seminars.

**COVID-19 Statement:** Prior to attending, please check for compliance with applicable federal, state, and local public health guidelines. Please bring a mask and anticipate social distancing.

**Directions:** Each meeting is held in a classroom inside the Skyborne Airline Academy maintenance hangar, which is located just west of the Vero Beach Regional Airport Main Terminal Bldg. Enter through the west side of the hangar, meeting is in Classroom M. Plenty of parking for cars and aircraft. For those of you flying in, park by the C.J. Cannon's restaurant at main terminal and walk west 100 yards.
